

## House Resolution No. 3228

**Whereas**, the members of the Missouri House of Representatives always welcome the opportunity to acknowledge milestone events in the lives and careers of Show-Me State residents who have made admirable contributions to public education through their efforts to ensure that students are provided learning environments which are challenging, rewarding, and productive in preparation for roles as lifelong learners and future societal leaders; and

**Whereas**, Carl Starkey has attained considerable distinction as a social studies teacher at Park Hill South Junior High and Park Hill High Schools in the Park Hill School District, a professional pursuit which he will draw to a close at the conclusion of the 2003-2004 school year after thirty-one years of service; and

**Whereas**, Carl Starkey enhanced his impressive record of accomplishment when he proved his flexibility and skills in teaching sophomore English during summer school; and

**Whereas**, Carl Starkey prepared for success in his chosen field of endeavor by studiously applying himself to a course of action which resulted in his graduation from Sterling College and completion of a Master's degree from the University of Missouri-Kansas City; and

**Whereas**, Carl Starkey also deserves mention of the time he taught advanced economics and his "stock market team" finished first out of eighty such teams in the greater Kansas City area; and

**Whereas**, the Park Hill School District educates more than ninety-five hundred students through the skills, knowledge, and dedication of more than seven hundred certificated staff at ten elementary, three middle, and two high school locations:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously to applaud the long, productive career engaged in by Carl Starkey for thirty-one years and to convey to him this legislative body's heartiest congratulations and our best wishes as he partakes of the special opportunities and pleasures traditionally associated with the golden years of retirement; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Carl Starkey, as an expression of our esteem for him and his achievements thus far in life.
